Guest/Affiliate members can [Login to their Account](#) and upgrade to Full membership if desired. Full members pay a reduced conference registration fee.

Refunds for Sunbelt Registration Fees ONLY will be provided to anyone with a rejection.

All refunds are subject to the refund policy posted on the [Sunbelt Webpage](#) - FAQs, Guidelines, Documentation.

You may cancel your registration any time by issuing a "Cancel Request" on your purchase through your Account Management - Purchase History.

6. How do I register for extra workshops if I already registered for Sunbelt?

Use the "Workshop Registration" option on the main Sunbelt information page.

This option provides the ability to register for workshops separately; however it is only available to those who have already registered for Sunbelt.

7. How do I obtain extra Banquet Tickets if I am bringing a Guest to the banquet?

Use the "Purchase Banquet Tickets" option on the main Sunbelt information page.

This option provides the ability to add banquet tickets to your order without registering additional people for the conference.

8. How does the Early, Regular and Late Registration Fee System work?

Sunbelt registration is possible up to the end of the conference; however there is an extra fee for registrations that occur on or after the Late Date.

Early registration provides a discount.

Guest/Affiliate INSNA members can register for Sunbelt; however they cannot submit an Abstract/Workshop without becoming a Full or Student (paid) member. By becoming a Full member, the conference registration fee is reduced.
