

<b>Workshop Title</b>	<b>Date</b>	<b>Time</b>	<b>Multi-Sessions?</b>	<b>Fee: Full Member</b>	<b>Fee: Student</b>	<b>Fee: Affiliate Non</b>
Relational Text Analysis and Network Analysis: From AutoMap to ORA, Part I	Tuesday, March 13	8:00am to 11:00am	Yes, must register for both	\$100	\$50	\$100
Relational Text Analysis and Network Analysis: From AutoMap to ORA, Part II	Tuesday, March 13	11:30am to 2:30pm				
KliqueFinder	Tuesday, March 13	8:00am to 11:00am	No	\$50	\$50	\$50
An Introduction to Network Analysis with R and statnet*	Tuesday, March 13	8:00am to 11:00am	No, but reduced fee for multiple workshops	\$75	\$30	\$100
Introduction to Social Network Analysis with R, Part I	Tuesday, March 13	8:00am to 11:00am	Yes, can register for one or both	One Session: \$60	One Session: \$30	One Session: \$70
Introduction to Social Network Analysis with R, Part II	Tuesday, March 13	11:30am to 2:30pm		Both Sessions: \$100	Both Sessions: \$50	Both Sessions: \$120
Modeling Relational Event Dynamics with statnet*	Tuesday, March 13	8:00am to 11:00am	No, but reduced fee for multiple workshops	\$75	\$30	\$100
Tulip - where Social Network Analysis meets with Visual Analytics, Part I	Tuesday, March 13	8:00am to 11:00am	Yes, must register for both	\$60	\$40	\$80
Tulip - where Social Network Analysis meets with Visual Analytics, Part II	Tuesday, March 13	11:30am to 2:30pm				
Introduction to Social Network Analysis with UCINET/NetDraw, Part I	Tuesday, March 13	8:00am to 11:00am	Yes, can register for one or both	\$60	\$30	\$70
Introduction to Social Network Analysis with UCINET/NetDraw, Part II	Tuesday, March 13	11:30am to 2:30pm		\$100	\$50	\$120
Visone Tutorial, Part I	Tuesday, March 13	11:30am to 2:30pm	Yes, can register for one or both	\$60	\$30	\$70
Visone Tutorial, Part II	Tuesday, March 13	3:00pm to 6:00pm		\$100	\$50	\$120
Moving Beyond Descriptives: Basic Network Statistics with statnet*	Tuesday, March 13	11:30am to 2:30pm	No, but reduced fee for multiple workshops	\$75	\$30	\$100
STERGM - Separable Temporal ERGMs for modeling discrete relational dynamics with statnet*	Tuesday, March 13	11:30am to 2:30pm	No, but reduced fee for multiple workshops	\$75	\$30	\$100
Dynamic Network Analysis (DNA) and ORA, Part I	Tuesday, March 13	3:00pm to 6:00pm	Yes, must register for both	\$100	\$50	\$100
Dynamic Network Analysis (DNA) and ORA, Part II	Wednesday, March 14	8:00am to 11:00am				
Analysis of large bibliometric networks using Pajek	Tuesday, March 13	3:00pm to 6:00pm	No	\$50	\$25	\$50
The Analysis of Longitudinal Social Network Data using SIENA, Part I	Tuesday, March 13	3:00pm to 6:00pm	Yes, can register for one or both	\$60	\$30	\$70
The Analysis of Longitudinal Social Network Data using SIENA, Part II	Wednesday, March 14	8:00am to 11:00am		\$100	\$50	\$120
SNA Real Time Big Data Hackathon, Part I	Tuesday, March 13	3:00pm to 6:00pm	Yes, must register for both	\$50	\$25	\$50
SNA Real Time Big Data Hackathon, Part II	Wednesday, March 14	8:00am to 11:00am				
Advanced Social Network Analysis with UCINET/NetDraw, Part I	Tuesday, March 13	3:00pm to 6:00pm	Yes, can register for one or both	\$60	\$30	\$70

Advanced Social Network Analysis with UCINET/NetDraw, Part II	Wednesday, March 14	8:00am to 11:00am		\$100	\$50	\$120
Mixed Methods Research Designs for Ego-centered Social Networks, Part I	Tuesday, March 13	3:00pm to 6:00pm	Yes, must register for both	\$50	\$30	\$50
Mixed Methods Research Designs for Ego-centered Social Networks, Part II	Wednesday, March 14	8:00am to 11:00am				
Social Network Approaches to Behavior Change Exponential-family Random Graph (ERG or p*)	Wednesday, March 14	8:00am to 11:00am	No	\$50	\$25	\$60
Modeling with statnet*	Wednesday, March 14	8:00am to 11:00am	No, but reduced fee for multiple workshops	\$75	\$30	\$100
Network Dynamics, Simulation and Construct Using the all new C-IKNOW to collect survey network data and explore these networks	Wednesday, March 14	11:30am to 2:30pm	No	\$60	\$30	\$60
Extending ERGM Functionality within statnet: Building Custom User Terms*	Wednesday, March 14	11:30am to 2:30pm	No	\$50	\$25	\$50
Net-Map: Collecting social network data and facilitating network learning through participatory influence network mapping	Wednesday, March 14	11:30am to 2:30pm	No, but reduced fee for multiple workshops	\$75	\$30	\$100
tnet: Software for Analysis of Weighted, Two-mode, and Longitudinal Networks	Wednesday, March 14	11:30am to 2:30pm	No	\$50	\$25	\$60

\*Fee Structure for statnet workshops (reduced fees for multiple workshop registrations)

One	\$75	\$30	\$100
Two	\$125	\$60	\$200
Three	\$175	\$90	\$300
Four	\$200	\$120	\$400
